DELTA MAGAZINE Spring 2005

News From the Board of Trustees

As a group of local government officials, the Township Board never likes to consider increasing our customer rates for services such as water and sewer; however, we have been charged with responsibility of maintaining fiscally healthy community services for Delta's 9,500 utility customers.

To cover the cost of increasing expenses and additional equipment, we recently voted to increase utility rates for water service by three percent and for sewer service by \$2 per 1,000 cubic feet.

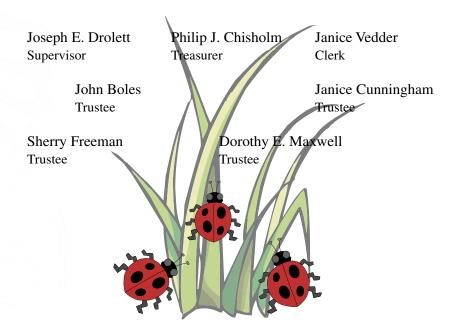

The increase was recommended by the Utility and Environmental Committee, a sub-committee of the Township Board, which is charged with conducting an annual review of the financial health of the water and sewer funds. The committee also compares Delta's water and sewer rates regularly with surrounding communities to remain competitive within the region.

After the review this past year, the committee determined that a three percent increase in water rates was necessary to avoid a revenue shortfall while continuing to maintain superior services to township residents.

The sewer service increase will cover the cost of equipment and two additional staff to more frequently clean Delta Township's sewer system. These steps were necessary for increased preventative maintenance to the system. While there is no guarantee that the sewer will never back up, the additional equipment and crew will help to protect Delta sewer customers.

How much will this rate increase impact you? Based on the typical utility customer with a monthly consumption of 1,000 cubic feet and a 5/8 inch meter, the monthly charge will increase by \$2.67.

Sincerely,

Keep Us in Mind

Delta Township is a great community because of the thoughtful people who live here. Over the years, all of the citizens of Delta Township have been blessed through the generous donations individual citizens have made to the Township. Keep the Township in mind...you may have something to give back to your fellow community members. Here are some of the items that have been donated to the Township:

- books for the library
- land for a public park
- cameras for sheriff evidence collection
- historic clock movement for a public clock tower

You don't need to have a lot of money to give back to your community. Time is a valuable gift. The Township is always in need of volunteers to help with our many recreation programs.

You may have something that doesn't seem valuable, but is very useful to the Township. Here are some of the valuable donations we have received in the past:

- supplies for kids craft projects.
- empty baby food jars
- old keys for a treasure chest game

Citizens can give back to their community by donating money for the fireworks or Delta Rocks! Family Festival. There are so many ways to give. The only limit is your imagination.

Thank you to all of the generous citizens who have given to Delta Township and their community. Each of your gifts is appreciated.

If you have something you would like to donate, please contact the Township at 323-8590.

DE-JUNKING

Just in Time for Spring Clean-up!

De-Junking Days 2005

Delta Township's annual De-Junking Days 2005 will take place on **May 19, 20, and 21** at the Recycling Center. Delta Township offers this special, once a year recycling program to township residents in an effort to recycle discarded household contents. The Salvation Army will be on hand to recycle resalable items back into the community.

De-Junking Days Vouchers

The voucher system will again be in place for the 2005 De-Junking Program. The vouchers have been very successful in reducing the long lines at the Recycling Center and streamlining the whole process for everyone. In an effort to continue offering this service to our residents **free of charge**, residents will be required to obtain the vouchers prior to going to the Recycling Center.

Residents are Entitled to:

- One yard waste voucher per household-good for an unlimited amount of trips. Plastic bags are not allowed!
- **Two** recycling vouchers per household-good for **one** trip each to De-junking.

Requirements:

- Vouchers are issued to Delta Township residents only!

 Two pieces of I.D. will be required to obtain a voucher:

 (1) driver's license and (2) Township tax bill, Township water or sewer bill, or voter identification card.
- An occupant of the residence must be in the vehicle and provide a driver's license and voucher at the Recycling Center. The driver's license address must match the address on the voucher.

Vouchers can be picked up at the Delta Township Clerk's Office on the following days:

Mon.-Fri., May 2-20, 8 a.m. to 5 p.m. Tues., May 17, 8 a.m. to 8 p.m. Thur., May 19, 8 a.m. to 8 p.m. Sat., May 21, 9 a.m. to 12 p.m.

Some of the accepted items include, but are not limited to: yard waste (branches no longer than four feet in length and four inches in diameter), water softeners, bathtubs and sinks, furniture, lumber, sporting goods, games and toys, burning barrels, gas grill propane tanks, bicycles, books, boxes, cardboard, telephone books, newspaper, glass, mattresses, plastics, trampolines, cameras, carpet, clocks, leather goods,

scrap metal, typewriters, clothing, crafts, lawn equipment (emptied of all fluids), paper (all types), and appliances, such as stoves, refrigerators (freon does not have to be removed), and dishwashers. No building demolition materials or every-day household trash will be accepted.

The size of your load will be restricted as follows:

No larger than 5 feet x 8 feet or the back of a full size pick-up. No tandem trailers or cube type vehicles will be permitted. Loaded trucks pulling trailers require two vouchers.

REMINDER: Plastic bags are not accepted for yard

waste. The large yard waste bags are for sale at the Clerk's Office and the Recycling Center for \$0.50 each or five for \$2 from May 2-May 21. They are also available at most home improvement stores. Residents may use the yard waste paper bags, cardboard boxes, or plastic reusable tubs when taking yard waste to the Recycling Center. ▲

Recycling Center

5717 Millett Highway

Winter Hours: November-March

Wednesdays 2-6 p.m. Saturdays 9 a.m.-2 p.m.

Summer Hours: April-October

Wednesdays 2-8 p.m. Saturdays 9 a.m.-2 p.m.

Closed Holidays

The Recycling Center will be closed on the following dates:

March 26, Easter Weekend May 28, Memorial Day Weekend July 2, Independence Day Weekend

Mercury Thermometer Exchange

Residents can safely dispose of their mercury thermometers in exchange for a new oral digital thermometer. This is a year round collection. If you have a mercury thermometer, please bring it to the Clerk's Office and exchange it for a new digital thermometer.

A CLEAN COMMUNITY

Keeping Delta Beautiful

Electronics and Household Hazardous Collection

Place: Delta Township's Administration Building

Date: Friday, May 13

Time: 2-6 p.m. By appointment only - call Eaton County

Resource Recovery at 485-6444, extension 627

Price: There is a \$.50 per pound fee

Acceptable Recycling Items

- **Plastic**-#2 PE milk jugs, water bottles, colored plastic bottles, and #1 PETE water bottles
- Paper-white office, colored, newspaper, magazines, catalogs, brown paper bags, and corrugated cardboard
- Tin, aluminum, and metalsstoves, dishwashers, swing sets, metal furniture, lawn mowers, and snow blowers. All applicances must be free of any fluids and caps must be removed from tanks.
- Glass-clear and brown only
- Wire and fencing-must be bundled, no loose wire or fence will be accepted ▲

Grass and Noxious Weed Ordinance

The Grass and Noxious Weed Ordinance keeps the township looking well-maintained and beautiful. Residents, businesses, and owners of developed and undeveloped lots are required to maintain all portions of their lawn or property up to the road by keeping grass or other vegetation under 12 inches. Lawns must be cut as often as necessary to comply during the growing season of April 15 through October 31. Properties not completely brought into compliance will be mowed by the Township. The cost of mowing and any associated overhead will be charged to the property owner. While there are many factors that go into determining if a lot is in violation, one main thing to keep in mind is that undeveloped properties over two acres in size are not subject to the ordinance. Complaints are taken anonymously and are normally inspected within a day or two. If the lot is determined to be in violation, a letter will be sent to the property owner and they will be given a short amount of time to mow it. If you would like to make a complaint please call 323-8555. You will be asked to give an address if known or a detailed description of the property location. •

Top Ten Property Violations

Have you ever wondered why you don't see very many inoperable and/or unlicensed vehicles sitting in driveways, cars or motor homes parked on front lawns, weeds growing out of control in the yard, or junk piled along the side of the garage in Delta like you do in so many other communities? Because Delta has taken several steps to prohibit "blight" such as this. Not only does Delta have a Blight Ordinance; but also a Noise Ordinance, a Subdivision Ordinance, and a Nuisance Ordinance. All of these ordinances were adopted to keep Delta clean and safe for its residents, business owners, and visitors.

At one time or another all townships, cities, villages, etc. experience non-compliance issues regarding property and property maintenance. On the rare occasion a property owner is found in violation of any of these ordinances, they are handled by our Code Enforcement Officer. Noxious Weed Commissioner, and/or our Planning Department. Violators of these ordinances may be subject to fines for their non-compliance.

The top ten "violations" in Delta Township are:

- Outdoor storage of unlicensed and/or inoperable vehicles
- Parking vehicles on the front lawn
- Outdoor storage of junk
- Weeds, grass, or brush greater than 12 inches high
- Houses in need of repair; such as chipped paint or broken windows
- **Excessive noise past 10 p.m.**
- Sweeping or depositing leaves and/or grass into street
- Abandoned vehicles in the street
- Parking of recreational vehicles in the front vard
- Placement of sheds too close to a side/rear property line

If you notice "blight" situations please contact our Code Enforcement Officer, Kelly Figueiredo, at 323-8530.

Library Activities

March is Reading Month, and we will offer tours of the library, special story times, or a visit to our Friend's used book store for any group interested in visiting the library. These include but are not limited to: scout troops, classrooms, home school groups, and daycare. Please call the library to arrange a special tour during March!

March is also National Women's History Month and the library is the perfect place to learn more about the contributions and accomplishments of women over the ages. A year ago our library was fortunate to receive a collection of over 600 items on women and women's history. The donation came from Lissa McLean, a former Waverly School student and fan of our library. This collection has been catalogued and is available by request. Due to space constraints, the collection is in storage but available with 24 hours notice. To browse the collection and place requests on items in the collection, go to our library Web site at www.deltami.gov/library and click "search the catalogue." When you get to the catalogue, click on "power search" and then in that screen click on "item category 2" and you will see the words "Lissa McLean collection" in the drop down menu. When you click on that, you will get a list of all the books and videos in the collection. We will be happy to retrieve any of the material for you and have it available at the library for your use.

Lissa established a committee to continue her work of adding to the collection, and last year more than 30 books and videos were added. Part of this collection will be on display at the Women's Historical Museum in Lansing during March.

April is National Poetry Month, and the library has many wonderful poetry books, ranging from the classic poetry of early English writers to contemporary works of American authors. The former Poet Laureate of the United States, Billy Collins, authors poems that are fun, easy to read, and thoughtprovoking. During April we will have a different poem posted in the library each day, so stop in and read a poem!

Teen programming this spring includes a session on preparing for job interviews March 12. This is a chance to talk with a human resources expert about what to wear, what to say (and not to say!), how to communicate by phone, mail, and Email, and other helpful tips to help you get your first job.

You can call the library for more information and to register for the program. As always, pizza and pop are included in the program, and there is no charge. There will also be teen programs on April 9 and May 14. Please call the library or visit the Web site for more information. Teen programs are from 11:30 a.m.-1p.m at the library.

Story time starts Tuesday, April 12, and will run for four weeks. We are offering the enhanced story times thanks to a grant from Mervyn's.

These story times include a free book, craft, musical instrument, or snack at each session. Tuesdays at 10:30 a.m. we offer both toddler sessions for ages 12-36 months, and preschool story time for 3-5 year olds. On Wednesday mornings at 10:30 you can attend the family story time. No registration is necessary. For more information please call the library at 321-4014 or visit our Web site at www. deltami.gov/library.

April also has National Library Week, with "Something for Everyone" as the theme for 2005. This is certainly true—gone are the old library days of clunky card catalogues, musty, out-of-date books, and crabby librarians. Libraries in this millennium have fast and easy-to-use online catalogues, all the latest books as soon as they are published, and friendly and fun librarians. We also have a lot more than just books—audio books are one of our most popular collections, as well as CDs, DVDs, videos, games, book and audio book sets, Internet connection for the public, and much more.

Friends of the Library

The Friends of the Library is a great group dedicated to supporting the library in a variety of ways, from volunteer hours working in the used book store, to helping with Summer Reading registration, to baking for the annual book and bake sale. Funds raised by the Friends go to many different areas of the library: the large print rotating collection at six senior centers in Delta Township; audio books on CD; special collections for Children's Book Week and Teen Read Week; newspaper subscriptions; and other materials.

Although the library does not usually offer volunteer opportunities, the Friends group is a great way to volunteer. They are always looking for people to help sort, organize, and shelve the many donations for the used book store. Please stop in at the library for more information about the Friends or to join. Our Friends number over 675, which is a wonderful community effort for a library our size.

Featured Employee

The featured staff person for this magazine edition is Cheryl Cushion. After retiring from the Lansing School District where she worked as a school librarian for 27 years, Cheryl expanded her library work and now works both at our library and at a local law firm as a librarian and legal assistant. Cheryl joined the Delta Township District Library in 2002 and works as a library assistant and the coordinator of teen programming.

Cheryl's two children live in Michigan. Son Michael is in Southfield while he finishes law school at Wayne State, and daughter Kim and her family live in Holland where Kim is a Human Resources manager. Kim and her husband presented "Nana" Cheryl with her first grandchild, Morgan, in early 2004.

Cheryl's hobbies include reading, sewing, knitting, cheering for the Spartans at football and hockey games, and of course being Nana to Morgan.

Reading interests for Cheryl have recently moved from historical fiction to mystery. Three writers she is currently reading are Iris Johansen, Dana Stabenow, and Nevada Barr.

Interesting Statistics for the Delta Township District Library in 2004:

- 12,744 area residents have library cards for our library
- 36,952 items in our collection
- 10,233 requests were placed for library materials
- 1,998 items were received from other libraries to fill requests
- 185,945 items circulated in 2004an increase of 10,682 over the previous year
- Circulation has increased every year since we became a district library six years ago

The Most Popular Authors in the Delta Township District Library of 2004 Were:

- Nora Roberts
- James Patterson
- Janet Evanovich
- Danielle Steel
- Sandra Brown
- Marc Brown (children's author)
- Dr. Seuss (children's author)
- Mary Osborn (children's author)
- John Grisham
- Barbara Park (children's author)

In honor of National Women's History Month, the library has re-arranged some things and will have most of the McLean Collection available in the library for browsing and for circulation. We feel it's important to have this wonderful collection of books, videos, DVDs, and other types of material available and easily accessible for everyone. Due to space constraints, not all materials can be found on the shelves in the library. However, all items can be found in the online catalogue, and will be retrieved upon request.

Public Safety

Valuable Safety Tips

A Clearly Marked Address May Save Lives

Imagine yourself responsible for providing life-saving aid in the event of a heart attack. You are dispatched to an address, 6421 East Saginaw Highway. You recognize the street name and know how to get the general vicinity of the call. Seconds could mean the difference between life or death. You turn the ambulance onto the street and start checking for the right address numbers. You pass one house, no numbers, you pass another, no numbers, and finally the fourth house has a number, 6459. You've gone past the house....somewhere behind you there is a person dying from a heart attack.

This scenario is played over and over again every day across America! A house that is on fire with smoke visible from the street is easy enough to find, but someone with a life-threatening injury or illness, inside a home or in the backyard, may be harder to find than most of us realize.

Take the time and properly mark your home and mailbox. Some simple steps that can be taken to help the timely arrival of emergency personnel are:

- Place block style numbers on the house, visible from the roadway.
- The numbers should be a minimum 4 inches tall for residential, 6 inches tall for commercial
- The numbers should be in direct color contrast to their background.
- The numbers should be under or near exterior lighting to help make them visible at night.
- Place the address numbers on both sides of your mailbox.
- Use reflective numbers to increase nighttime visibility.
- If possible, send someone out to the curb to flag down emergency personnel.
- If possible, at night have someone turn the front porch lights on and off to signal emergency personnel.

No one expects or wants an event requiring emergency personnel to happen to them, but last year alone Delta Fire and EMS responded to 3,988 calls. This year one of those may be to your house.

How Safe is Your Child?

One of the most taken-for-granted safety devices to protect our children from death and injury is misused 93% of the time. I am a certified child safety seat technician. You laugh; I laughed; until I attended the 40-hour class to become certified in properly installing child safety seats. Delta Township took the initiative to become pro-active in an attempt to prevent child injury and death due to motor vehicle accidents. We have partnered with the Capital Area Safe Kids Coalition and the Michigan Department of Public Health to offer FREE child safety seat inspections.

A simple test is to attempt to slide the child safety seat from side to side. If the seat moves more than an inch in either direction, the seat

may not be installed correctly. The most common problem is that the seatbelt is just not tight enough.

The inspections are normally on the last Friday of each month and are by appointment only. The inspection takes approximately 30 minutes for each seat being inspected. To schedule an appointment call the Delta Township Fire Department at 321-6622, extension 415, and ask for Kathy. ▲

-Paul Fabiano

Deputy Chief

Delta Township Fire Department

Case Closed!

The Eaton County Sheriff's Department prides itself on case investigations. The deputies will do whatever they have to do when investigating a complaint to apprehend the perpetrator. Sometimes solving a crime can be very time consuming.

Many times deputies arrive at a crime scene and all they have to start with is physical evidence such as dormant prints, shoe impressions, tire tracks, and bodily fluids. The deputies will always take time to process the crime scene and collect the evidence. If it is a serious crime or a crime scene where numerous pieces of items need to be collected, specially trained deputies called Evidence Technicians will be assigned the task of collecting the evidence.

Once the evidence is collected it is usually submitted to the Michigan State Police Crime Laboratory to be examined. Dormant print examinations, tool impressions, DNA analysis, and ballistics are just some of the things the crime lab is capable of doing. This process may take some time to do correctly.

If a suspect is developed from the evidence collected, the deputy will try to locate the individual and either interview the suspect or in some circumstances arrest the person. Once the interview is completed and the evidence is processed the deputy or detective will forward their investigation to the Prosecuting Attorney's office for review. Sometimes the prosecutor reviewing the case will require more follow up to be completed before authorizing a warrant for the suspect or suspects involved. When the subject is arrested the judicial proceedings will begin.

As you can see a good investigation takes time and patience. The Eaton County Sheriff's Department is committed to solving cases and taking offenders off the street!

Helping Kids Find Safe Routes to School

Delta Township has joined forces with over 50 organizations statewide to help Michigan's children walk and bike to school safely. Safe Routes to School is a national movement to make it safe, convenient, and fun for children to bicycle and walk to school. Delta Township is proud to be part of the statewide coalition leading this effort.

A successful Safe Routes to School program benefits children in several ways. When routes are safe, walking or biking to and from school is an easy way to get the regular physical activity children need for good health. Studies have shown that physically active kids have improved mood and concentration, a stronger self-image, and more self-confidence. It's also fun!

Research shows that walking or riding is children's preferred method of getting to school. There's so much

to see, smell, touch, think, and talk about. By walking with friends, children will build relationships and learn more about their neighborhood, their friends, and themselves.

We see our involvement in this important initiative as a demonstration of our commitment to removing barriers like traffic congestion, violence, crime, and busy intersections so our neighborhoods are safe to explore again.

For more information on Safe Routes to School, contact the Governor's Council on Physical Fitness, Health and Sports at 347-7891, or visit the Michigan Safe Routes to School Web site at www.saferoutesmichigan.org, or contact Amy J.P. McEwan, Assistant Manager at Delta Charter Township at 323-8590 or E-mail at AMcEwan@deltami.gov.

TAXES AND PAYMENTS

Second Meter for Pools and Sprinklers

In Delta Township, a second meter is not needed because of the way our water and sewer bills are calculated. The computer uses the bills issued during the winter months (October through March) to establish a "sewer maximum," which is the maximum amount you will pay for the sewer portion of your bill during the summer months (April through September).

For our water customers with a separate sprinkler service, the first monthly bills will be sent out in May. May is also the traditional month to fill swimming pools. Our residential customers can usually fill a swimming pool in less than a day using a garden hose. This method of filling a pool has little or no affect on sanitary sewer charges and usually results in cleaner water than that drawn from a fire hydrant or a water truck.

Customers will be charged for all the water used during the summer months, but the sewer portion of the bill will not exceed the average of the winter bills. Therefore, customers will not pay a sewer bill for the extra water used for lawn sprinkling during the summer. This system eliminates the need for you to purchase a second meter for out-door uses only.

Electronic Payment Service

On-line banking is convenient; however, payment stubs from Delta Township include bar coding that is needed to automatically process the payment. Therefore, the Township must manually process the bank payments. In lieu of on-line banking, Delta Township offers, at no charge, an electronic payment service. With a signed authorization, a checking or savings account can automatically pay a monthly utility bill. The resident will continue to receive a monthly utility bill showing the amount of the charge, the due date, and the date the bank account is charged. This electronic payment service is also available for payment of summer and/or winter property taxes. Call the Accounting Department at 323-8510 for more information or access the utility billing enrollment form on our Web site at www.deltami.gov.

Board of Review

By the time this magazine is available, property owners should have received the 2005 Annual Notice of Assessment, Taxable Valuation, and Property Classification. Please review this notice carefully.

Information is included on the previous and current year's taxable value, assessed value, and any difference between the two years. The Principal Residence Exemption status is also listed. A property owner's assessed value can increase due to several reasons, but most commonly due to increases in the market value of property in Delta Township. Taxable value may also increase for various reasons but increases are limited to the lesser of 5% or the rate of inflation from one year to the next without a transfer of ownership or building improvements being made. The inflation multiplier to be used for the 2005 taxable value calculations was set by the State Tax Commission at 1.023, or an increase of 2.3%.

The Assessing Department will be happy to answer questions related to the department's analysis of your property. This information is available during normal business hours without an appointment. It also is available on Delta Township's Web site www.deltami.gov under "Assessing Information Online."

Property owners have the right to appeal to the Board of Review at one of the dates and times listed on this 2005 Annual Notice.

Some items to consider if preparing for the Board of Review meeting are:

- Township residents must appear in person to present information. A representative with a signed letter of authorization may appear on your behalf.
- Be prepared to explain what you think your property is worth and why.
- Bring evidence to support your estimate of market value. The evidence could include:
 - A recent sale of your property.
 - Comparable properties in your area that have recently sold. A comparable property is one similar to yours in terms of age, size, condition, style, interior features, and basement finish. Information on sales is available in the Assessing Department.
 - Recent appraisals of your property.
 - Construction costs for recent remodeling and additions.

Garage Sales

In October 2004 the Delta Township Board amended the Township's Vending Ordinance to include provisions pertaining to garage sales. The new regulations limit garage sales to no more than three consecutive days and no more than twice per year on the same property. Homeowners who conduct garage sales are encouraged to remove signs immediately after the sale.

Delta Township

Past, Present, Future

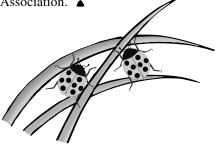

Richard A. Watkins About the Township Manager

Richard A. Watkins is the Township Manager for Delta Charter Township, a full service community of 34,000 residents. He is a Credentialed Manager with a Masters in Public Administration from Western Michigan University and a Bachelor of Arts in Accounting from Central Michigan University.

Mr. Watkins has been the Township Manager in Delta for 12 years. He previously served the City of Marshall for 20 years working in various capacities from the Finance Director to Assistant City Manager. He also served two years with a certified public accounting firm.

Richard Watkins has served on boards and commissions of the Michigan Municipal League, Michigan Township's Association, Michigan Local Government Manager's Association, and the International City Manager's Association.

The Delta Mills Grange was built in 1904 in the small farming community of Delta Mills, which was settled by Erastus Ingersoll in 1835. The building was originally used as a Grange meeting place and later, after the decline of the Grange organization, it housed community social functions.

The building was booming with social events for the first four or five

Dr. Gerald Schaefer bought the Grange in August 1975 when the building was sold due to tax increases and the dissolution of the original Grange organization. According to Dr. Schaefer, the money used to purchase the building was donated to the American Cancer Society. Schaefer had originally purchased the building with intentions of setting up a dentistry practice at that location.

The Delta Mills Grange, located on the corner of Webster Street and Delta River Drive, was acknowledged by the Michigan Historical Commission in 1985. Today, the building is listed on the State Registrar of Historical Places and displays an official state identification marker noting its historical significance. *This is an orginial newspaper clipping from the Delta -Waverly News Herald, printed on August 1, 1995*

Nominate Your Neighbor

Last quarter's Neighborhood Pride Award was given to St. Gerard's Church located at 4437 West Willow Highway, for their renovations to the school and church.

Neighborhood Pride Awards are given quarterly to recognize properties that have had recent renovations to the exterior of a facility that

have a positive impact on the community. Nominations should be forwarded to Kelly Figueiredo, Code Enforcement Officer, Building Department, 7710 West Saginaw Highway, Lansing, MI 48917 or E-mail *kfigueiredo@deltami.gov* or call 323-8530.

GET INVOLVED

In Your Community

Walk Michigan! Coordinator

The Parks and Recreation Department is looking for a Walk Michigan! coordinator on a volunteer basis. This person would take registrations prior to each walk, do a drawing for door prizes, and provide general assistance. The time commitment would be about an hour and 45 minutes each time, and between April and October the average is about two to three walks per month. Walks are held outdoors in one of our parks. See page 34 for upcoming event dates. Interested individuals should contact Barbara Sherbo Kellogg at 323-8555.

Delta Rocks! Family Festival Volur

The festival always needs lots of volunteers! There are many different areas within the festival where help is needed as well as at different times of the day. For example, volunteers are needed to staff each of the craft booths, which involves interacting with the children and keeping the supplies on the table stocked. Being friendly is required but being crafty is not! Volunteers are given a shirt to wear that day and to keep. For more information on the festival visit www.deltami.gov/parks/events/dr. Interested? Please E-mail Barbara Sherbo Kellogg at bkellogg@deltami.gov or call her at 323-8555.

Medical Appointment Drivers

The Delta/Waverly 39ers always need volunteers to drive local seniors to their doctor or dentist appointments. Please call 484-5600 for details.

Youth Baseball, Softball, and T-Ball Coaches

Volunteer coaches are needed for these programs that start in mid-June. Individuals should have experience coaching and some knowledge of the sport. Delta Township's programs emphasize fun, learning, and good sportsmanship not winning. See page 29 for program dates. Call 323-8555 to put your name down in case we have a team that needs a coach.

Recycling Center

The recycling center is open twice a week and individuals are welcome to just drop in. This is a good place to perform community service as well. Please seek out an individual in a Delta Township shirt to check in and receive an assignment such as helping the elderly unload their vehicles. See page 4 for hours of operation and the back cover for the location of the facility.

Earth Day is April 22

Regardless of political interests, annual household income, or any other dividing category you can think of, we all live on this planet and need it to stay healthy to pass on to the next generation. Earth Day is held every year on **April 22**, with the first annual celebration taking place in 1970. Read all about how it got started at http://earthday.wilderness.org/history. Festivities are held every year in the **greater Lansing area** near that date, so look for information on specific fun things to do later as April approaches.

"Building a sustainable society is the critical challenge of this century. Everything depends on it." —Sen. Gaylord Nelson, Founder, Earth Day

This year, why not think of at least one small way you can make a difference? Instead of throwing recyclables in the trash every week, save them up until April and visit the Delta Township Recycling Center on Millett Highway, which is open every Wednesday and Saturday (see page 4 for specific hours and details). When warm weather approaches, think about biking or walking to some of your destinations instead of driving. When buying paper and file folders look for items made from recycled goods. Plant a tree. The list goes on and on.

Set aside some time, even a few moments, on **April 22** to visit a local park (there are several nice parks in the area we highly recommend on page 18 or back cover!), or just take quiet notice of the scent of spring, a bird singing, the grass waving in a gentle breeze, or whatever beauty lies outside your window. In other words, stop and smell the roses and recognize the wonder of what we have!

Delta Trails:

Non-Motorized Transportation Planning Study

Delta Township has been working on planning a transportation system for pedestrians, bicyclists, and other forms of non-motorized transportation since 2002. In late December, a draft report was submitted to the Township from the consultants Landscape Architects and Planners. Staff has worked with the consultants to edit the report. The final version of the study is tentatively scheduled to be presented at the Township Board meeting on March 21 at 7 p.m. Please check the township Web site for updates.

DID You Know...

CATA is Offering a New Service

Sanitary Sewer Backups

Sanitary sewer customers that experience sewer backups should call the Delta Township Utility Department immediately at 323-8570 to report the problem. Utility personnel will report to the location as soon as possible to determine the cause of the problem. During non-business hours, an answering service will take the call and forward the message promptly to Department personnel. If a blockage is found in the main sewer line, personnel will immediately jet (clean) the line to eliminate the problem. Both the service call and jetting of the main line sewer is **free** of charge to Delta Township customers.

However, if the problem is not in the sanitary sewer main, but in the lead from the customer's house to the main line, then it is the customer's obligation to maintain and cover any costs associated with the problem. The Township does not clean out customers' leads between the house and the sanitary sewer main.

Customers that experience an overflow or backup in the Township's main sanitary sewer line and wish to file a claim for damages, must file the claim with the Manager's Office within 45 days after the overflow or backup was discovered. The claim form can be obtained from and should be mailed or delivered when completed to the Manager's Office at 7710 West Saginaw Highway, Lansing, Michigan 48917 (phone 323-8590). Failure to provide the required claim will prevent recovery of damages; however, filing a claim does not guarantee a recovery of damages.

Corrosion Control

What is corrosion in our water system? Corrosion occurs because our pipes are made out of iron and iron will corrode or rust when left in contact with water.

How does the Township prevent corrosion? First, let's start with the pipes. We require the interior of the pipes to be cement lined. This is done at the pipe factory and is one of the most common types of lining. The cement lining is approximately a sixteenth of an inch thick and provides protection against internal corrosion. But we know that not all of the pipes corrode from the inside. They can also corrode from the outside. The pipes also have an asphaltic coating on the outside that is approximately one mil thick. We also put a plastic bag around the outside of pipes to help prevent acidic soils from coming in contact with the pipes.

Second, our water is treated to help prevent corrosion. Delta Township purchases water from the Board of Water and Light (BWL). The BWL controls the pH of the water and leaves some hardness to form an egg shell type of coating on the inside of the piping. This provides a protective film on the pipe to keep corrosion at a minimum.

Expansion of CATA Service

CATA representatives kicked off a new ervice on **January 10**, that serves a portion of Delta Township. The new route is called the "LCC West Campus-Lansing Mall Connector" and travels between the Lansing Mall and the new LCC West Campus via Mall Drive, Ivan Street, Elmwood/Snow Road, and Cornerstone Drive. In addition to bus stops at the mall and the LCC West Campus, passengers can board buses at bus stops near Plumtree Apartments, Waverly High School, the Snow Road Professional Building, Ivan Woods Senior Community, and on South Mall Drive, between Delta Center and the Burlington Coat Factory. The route will only run on weekdays and it will operate through May 6. Connector service will not be provided during Lansing Community College's spring break, March 7-13. Regular CATA fixed-route fares will be charged. Connector rides may also be reserved by calling 394-4178 for pick-ups within a quarter mile of the route and will be honored based on time availability. Transfers can be made from CATA's Rt. 3 Willow-Lansing Mall bus at the mall to the Connector. For trip planning information about the Connector, call CATA Customer Service at 394-1000 or visit CATA's Web site at

www.cata.org

Mr. FOG Returns

Wreaks Havoc on Thanksgiving

A.P. story by Don White
This year the Jones family decided to do something different. The Jones twins Sara and Kara were raising protests that Thanksgiving dinner was simply too boring. What with the same dumb turkey, the boring stuffing, and pumpkin pie. Their father suggested that they could get a turkey fryer and deep fry the bird to a deep crisp golden brown, and the girls were all for it.

Thanksgiving began innocently enough. Mr. Jones had prepared the turkey and the fryer the night before to make sure there wouldn't be any problems with their first attempt at frying a turkey. Their cousins would be arriving around noon, so he made sure he was up plenty early to have the oil up to the perfect temperature to fry the turkey. The big bird was done beautifully by about 10 a.m. It was cold outside, so Mr. Jones needed a quick way to dispose of the used cooking oil so he carried the container of grease in through the back door and dumped it down the garbage disposal, all five gallons of it.

Meanwhile, in the kitchen mom and the girls were deep frying doughnuts. The girls thought they would be a great substitute for the boring pumpkin pie they usually have. It was around 11:30 a.m. when their cousins arrived, earlier than expected. Luckily the last doughnut had just been pulled from the fryer. Now what to do with the grease? Kara turned the cold water on at the sink and down the drain went the oil. Quick and easy, right?

Unfortunately, nobody realized that this was the sort of thing Mr. FOG lived for. He finally had a chance to create his own type of havoc!

Mrs. Jones dropped a bag of frozen cranberries into the sink, turned on the water and went out with the rest of the family to greet the cousins. It seemed like only five minutes had gone by when Mrs. Jones realized that the water was still running in the kitchen. As she scooted from the family room back to the kitchen, she could see water running out the door onto the carpet in the living room. With a scream, she ran into the kitchen to see an inch of water covering most of the floor as more poured from the sink.

Mr. FOG had struck! It was all so innocent, only a little oil, and oh what a mess! Luckily, the Joneses had a wet vacuum so it only took about two hours to clean up the mess. The Lion's game was missed, the fried turkey dried out, and the whole family ended up going out for dinner.

As is the case in small neighborhoods, news like this travels fast. It wasn't long until all the neighbors had heard the story, and the tale reached the ears of this reporter. Having witnessed what happened to the Joneses, some of the neighbors started re-thinking what they would do differently with waste oils and grease. This became especially true when within two weeks of the disaster Mr. Jones had to replace the garbage disposal.

Mr. Stanton, who lives two doors east of the Joneses, approached the neighborhood association to see about having a community grease bin placed out in back of the clubhouse only to learn that Delta Township had a bin for the community to use at their recycling center. Another neighbor, who will remain nameless, decided to set up a home recycling area for storage of waste motor oil. Having seen the affects of oil and grease in his neighbor's home, he decided to discontinue dumping waste oil down the floor drain in his garage. And, Mr. Smith, who is trying to figure out how to make a living hunting and who fries more wild game than anyone in the subdivision, now saves the bulk oil containers that hold the oil used to fill the fryer and places the used oil carefully back into the container and freezes it.

So, maybe this story has a happy ending. Once again, Mr. FOG has tasted defeat as he has been denied future opportunities to cause misery. The Joneses paid a pretty heavy price for disposal of "a little oil," but because the neighbors saw what happened and used the situation to change what they were doing, the problem wasn't repeated and likely won't be repeated in the future.

How about you? How about your neighborhood? Mr. FOG may be waiting. No need to keep up with the Joneses. Drains are not a good place to dispose of oil, any type of oil. Take it from the Joneses, appliances aren't cheap. The new carpet is nice, but it was expensive. Thanksgiving dinner wasn't boring this year just not in the way they had planned!

2005 ELECTIONS

Who Are Your Representatives?

2005 Elections and Dates

There are **two** school elections scheduled in 2005 for Delta Township:

- Grand Ledge Public School is May 3
 Voter Registration Deadline is April 4
- Lansing Community College is November 8
 Voter Registration Deadline is October 10

In order to vote in any election in Michigan, you must be 18 on or before Election Day, and registered to vote 30 days prior to the election.

Absent Voter Ballots

If you would like an absent voter's ballot for an election, please call the Delta Township Clerk's Office and an application will be sent to you.

Permanent Absent Voter List

If you are over 60, physically challenged, or frequently out of the community, you can be placed on the permanent absent voter list. Permanent absent voters will automatically receive an application for all elections. However, this application must be completed every election year. If you would like more information regarding the Township's permanent absent voter list, please call the Clerk's Office at 323-8500.

Election Workers

Delta Township depends
on residents to help in the
election process. We are always
looking for workers for our Precinct Polling Locations and Absent
Voter Counting Board. These are
paid positions and anyone interested
should contact the Delta Township
Clerk's Office.

Precinct Changes

Please be aware that changes in precinct facilities may necessitate the relocation of some precinct polling locations. A new Voter ID will be sent to you if there is a change in your polling location. To prevent confusion, please destroy your old Voter ID if you receive a new one.

Following is a list of the different elected officals who represent Delta Township Residents.

- FEDERAL U.S. Senator Debbie Stabenow (D)
 133 Hart Senate Office Building
 Washington, DC 20510 (202) 224-4822
 Lansing Office: West Lake Lansing Road, Suite 100
 East Lansing, MI 48823 (phone) 203-1760
- FEDERAL U.S. Congressman Joe Schwarz (R)
 7th Congressional District
 128 Cannon Building
 Washington, DC 20515 (202) 225-6276
 Lansing Office: 6604 West Saginaw Highway
 Lansing, MI 48917 323-6600
- STATE State Senator Patricia Birkholz (R)

Residents and Non-Residents	Full Day Session: \$70				
Grand Woods Park Pavilion					
Residents and Non-Residents	½ Day Session: \$65				
	Full Day Session: \$120				

Picnic shelters are available for the timeslots of 10 a.m.-3 p.m., 4 p.m.-Dusk, or 10 a.m.-Dusk. Groups may begin reserving the shelters on the first business day of the year for event dates between May 1 and September 30. On the first business day we will take walk-in registrations only starting at 7:30 a.m. and phone-in starting at 8 a.m., after which reservations may be made in person with payment due at that time or by phone with payment due within seven calendar days. If the due date falls on a Township holiday it will be due the next business day. Refunds will only be issued for cancellations made at least 21 calendar days before your event.

The Community Center is available for rental on Fridays, Saturdays, and Sundays for your meeting, wedding reception, or other special occasion! It has a bi-level floor plan including a carpeted upper level with a dance floor and a tile floor with a small kitchen on the lower level. The entire building is handicap accessible. It is an air-conditioned, nonsmoking facility and can accommodate groups of up to 170 people. The building is located at 7550 West Willow Highway, on the corner of Willow and Canal. Reservations are accepted up to two years in advance to the day.

CLASS REGISTRATION

How and When to Register for Classes

Walk-In Registration

Date: Wednesday, March 23

When: Delta Township Residents: 5:30-6:30 p.m.

Anyone: 7-8 p.m.

Where: Meeting Room A, Level 2 of the Administration

Building (use the west entrance)

Phone-In Registration

Date: Starting Thursday, March 24

Open call-in registration begins at 8 a.m. the day after walk-in registration and will remain open until all classes are filled. Our phone number is 323-8555. Registrations left on voicemail will not be honored.

How and When to Register

All Community Arts Classes require pre-registration through WALK-IN (the first time any registrations will be taken) or CALL-IN, with the exception of the following: Classes without a code (ex: A105), classes with code numbers over 399, classes that say to register and pay fees in class, and programs offered by departments other than Parks and Recreation. You do not need to wait for walk-in registration to sign up for special events or athletics. Only registered participants may attend class. No substitutions.

Payments

Payments for walk-in registrations must be made at the time of registration. Payments for phone-in registrations must be paid within three business days of registration to hold your spot. Make checks payable to **Delta Township** and send to: **Delta Township Parks and Recreation**, 7710 West Saginaw Highway, Lansing, MI 48917. Please specify on your check what classes or programs you are paying for and list names if different from the name on the check. We accept cash, checks, or money orders.

Class Cancellations

If a class is completely cancelled prior to the start of the class, registrants will be notified and full refunds will be issued. When programs or classes are cancelled due to the weather, a message will be placed on our program information phone line: 323-8550. Every attempt will be made to reschedule weather cancellations for a later date.

Registration Exceptions

Programs are designed according to instructor/student ratios and on an age or level that will benefit the student. Children must be within the specified class age group by the first class meeting. All adult classes are open to those who have reached the age of 18 prior to the first class meeting unless otherwise specified in the description. Please do not ask us to exceed the class limits or place a child in the wrong age or skill level. Let us place you on the waiting list so we may attempt to create an additional class.

INSTRUCTORS WANTED

Delta Township Parks and Recreation is always looking for innovative individuals who would like to share their expertise with others. Our program opportunities include all types of arts and crafts, dance, and special interest programs. Paid positions are available for persons interested in teaching children or adults. Scheduling is flexible. The first term available to include you would be fall term starting in late September. The deadline will be in mid June for finalized classes. If you are interested in teaching a class, please contact us at 323-8555 or send in this form so we can contact you.

We Love Parents, But...

Our instructors have found that quality instruction is affected by parent and sibling distractions during class time. We feel it is extremely beneficial for children to have recreational time with their peers. Our instructors are always happy to discuss your child's progress with you.

YOUTH CLASSES

fun and Educational Class Opportunities

Child Care Training

Are you just starting out as a child care provider or would you like to learn how to become better? This class will teach you how to be a safe, responsible, and professional child care provider. You will learn skills such as how to choose age-appropriate toys and activities, how to handle and prevent urgent situations, how to communicate with children and families, and how to care for young children (diapering, feeding, clothing, etc.). Participants will leave with a wealth of knowledge, a packet full of important information, a stack of activity cards, forms to give to the families you care for, a certificate explaining that you have completed all the basic skills needed to be a successful child care provider, and a stack of business cards to launch your career! Limit 10. Sa, 9:30 a.m.-12 p.m., 5/7-5/14 - Y102 11-16 year olds \$28 for 2 sessions **Angie Barry** 5/7 - Room 300 Enrichment Center 5/14 - Room 301 Enrichment Center

First Aid - Ages 10+

This class covers the general principles of First Aid: how to respond in an emergency, and medical emergencies and injuries including basic response to shock, bleeding, fractures, sprains, burns, and poisonings. Class is approved by the State of

Michigan and meets and exceeds the requirements for day care, adult foster care, and Girl Scout Leaders. Limit 15.

Sa, 8 a.m.-12 p.m., 4/16 -Y104

\$30 for a one day class Elaine Scribner-McParlane, RN, MPH **Room 301 Enrichment Center**

Jr. Karate and Self-Defense

Topics include a range of self-defense ideas such as how to handle the school bully without fighting and the proper use of the magical word "NO!" through the physical movements taught from the Karate style Sanchin-Ryu. Children are taught they train so that they will not have to fight. Tremendous selfconfidence is achieved. Note: Children must be taken into the **Ballet**

classroom and will not be released from the class until a parent is present. Limit 30.

K-3rd grades: Th, 6-7 p.m., 4/14-6/16 4th-8th grades: Th, 7-8 p.m., 4/14-6/16 \$30 for 10 sessions

Instructor provided by Sanchin Systems, Inc. Register and pay fees in class

Lower Floor Community Center

Drawing Basics - Ages 9+

If you want to work on your drawing skills, come and join in the fun. We will begin with the basics and include shading and shadowing to enhance our drawings. Working with colored pencils will also be a part of our class. Please bring a spiral drawing pad to class. Limit 10.

W, 4:45-6 p.m., 4/13-5/18 - Y103 \$36 for 6 sessions **Debi Knowles**

Room 301 Enrichment Center

Spanish for Kids

See page 25 in the adult

classes section

Children learn languages easily so start them learning now while this window of opportunity is still wide open. Emphasis will be placed on the spoken language (children will not be expected to write). Interactive learning through movement -

songs, rhymes, and games. Topics covered include; colors, numbers,

family members, body parts, seasons, days of the week, months, animals, greetings, alphabet, clothing, food, opposites, the home, and much more. Recommendations will be given on the best books, tapes, videos, and computer programs to help your child continue learning Spanish. Instructor has lived in Mexico and Spain. Limit 10.

Th, 10-11 a.m., 4/14-5/19 – Y106 Th, 6-6:55 p.m., 4/14-5/19 – Y107 3-8 years old - Y107 4-8 years old - Y108

\$42 for 6 sessions

Cathy Brown Room 301 Enrichment Center

Learn basic ballet steps, terminology, and barre work while developing dance skills such as coordination and timing. **Ballet slippers recommended** but not required. Limit 10. Tu, 6-6:50 p.m., 4/12-5/17 – Y101 5-8 year olds

Cost, location, instructor same as Jazz ▶

Taekwondo for Tiny Tigers -Flotka's Black Belt Academy

Learn to control kicks and punches. This class improves listening skills, confidence, and awareness. Results guaranteed. Cost includes a new uniform. Limit 10.

Photos Needed!

Parents, do you have a simply adorable photo you've taken of your child (or adult!) in one of our programs or parks? Send them in and they may be printed in an upcoming issue! E-mail your high quality digital photo to sdimartino@deltami.gov. We are also seeking video clips, including some with kids talking about what they like about the program! Please include your child's name and where the photo or video was taken. Mail your CD or DVD to Delta Township Parks Video Requests, 7710 West Saginaw Highway, Lansing, MI 48917.

ADULT CLASSES

Fun and Educational Class Opportunities

Basics of Estate Planning -**Common Myths and Mistakes**

The instructor will discuss traditional legal documents used in planning for incapacity and death, including wills, trusts, powers of attorney, patient advocate designations, and living wills. Limit 16.

W, 6:30-8 p.m., 5/18 – A101 \$8 for a one day class Douglas G. Chalgian, Certified **Elder Law Attorney Room B Administration Building**

Cardio Kickbox Aerobics -Ages 15+

This class will provide a kick-start into summer for both men and women. This class provides instruction and technique in a combination of kickboxing, martial arts, and boxing moves including blocks, punches, jabs, and kicks. The class begins with a 15-minute warm-up and moves into drills, combinations, circuit/weight training, and ends with a body-toning cool-down period. This workout is designed for each individual to work at their own fitness level and will provide cardiovascular work to increase metabolism and decrease stress. Participants should wear loose, comfortable exercise clothing and court or aerobic sneakers, and must bring their own set of hand dumb bell weights (2-3 pound beginner or 5-8 pound advanced) and a towel or exercise mat for floor exercise. Resistance bands will be

Growing an American Cottage Garden

Most of us have memories of gardens that grew rather loosely and freely around homes in our past. These gardens were probably of the cottage garden variety, which still today exude memories of textures, patterns, colors, and smells. This class will walk you through the structure of a cottage garden along with the plant materials that are typically found. Both beginners and experienced gardeners are welcome in this pursuit of pleasure. Cottage gardens have deep

historical roots yet are contemporary for today's living. Cottage gardens are both informal and fail-proof. This class presents oldfashioned ways of growing, plant materials, design tips, and includes slides of various cottage gardens and plants. Visit www. folkgardens.com

for more details.

M, 6-6:40 p.m.

Hockey Star

Advanced forward skating and drills are taught.

Ages 6+

M, 6-6:40 p.m.

Sa, 9-9:40 p.m.

All ice skating classes are offered at The Summit, located at 9410 Davis Highway. Rental skates available.

Youth Boys Baseball

This is a six-week program offered to boys ages 7-9 (age as of June 13, 2005). When possible, separate 7 year-old teams are formed and 8-9 year olds are combined. The first two weeks of the program will be practices, which will include basic skills such as hitting, throwing, catching, and base running, and the last four weeks will be games. Pitching is done by the coaches. The program will be held on Tuesday and Thursday evenings at Hayes Middle School beginning Tuesday, June 14.

Youth Girls Softball

This is a six-week program offered to girls ages 7-11 (age as of June 13, 2005). When possible groups are formed with 7-8 year olds and 9-11 year olds playing together. The first two weeks of the program will be practices, which will include basic skills such as hitting, throwing, catching, and base running, and the last four weeks will be games. Pitching is done by the coaches. The program will be held on **Monday** and **Wednesday** evenings at Hayes Middle School beginning Monday, June 13.

Youth Coed T-Ball

Pitch. Hit & Run

This program encourages June 13. youth participation and emphasizes the fun element of baseball competition. Each participant will compete in all three areas. The Pitch portion will test accuracy of throwing strikes from 45 feet to a designated "Strike Zone" target. Each competitor will receive six pitches. The Hit portion will test ability to hit a baseball from a stationary tee along a tape measure from home plate. Hits will be measured for distance and accuracy. Each competitor will be allowed three swings in an attempt to hit the ball. The Run portion will measure speed in a sprint from second base, around third, and across home plate for a total of 160 feet. The age groups are 7-8, 9-10, 11-12, and **13-14** with boys and girls competing together (age as of July 17, 2005). The

competition is free! No metal spikes

This is a six-week program offered to girls and boys ages 5-6 (age as of June 13, 2005). The first two weeks of the program will be practices and the last four weeks will be games. The program will be held on Monday and Wednesday

> evenings at Waverly East beginning Monday,

allowed.

Anyone who competes in more than one local competition will be disqualified. Pre-registration is required; no registrations will be taken at the event. The deadline is **April 29**. Please use the form on page 27. PH&R consists of four levels: Locals, Sectionals, Team Championships, and National Finals. Those that

How to Register

The cost to register is \$22. A Delta Township youth sports shirt is required (blue and white reversible) and is available for an additional \$10. Please use the form on page 27 to register. The deadline to register is May 6. After this date, teams will be put together (no special requests are honored). Teams will be formed by school whenever possible.

Practice and Game Times

The practices and games will last approximately one hour and will be held between the hours of **5:30 p.m.** and 9 p.m. depending on the number of participants. All participants will receive a letter listing the team number assigned and when to show up for the first practice. At the first practice you will receive a shirt if one was ordered and a season game and practice schedule. Both practice and game times are scheduled by Delta Township.

Interested in Coaching?

We rely on the help of volunteer coaches. You may indicate on your registration form if you would be willing to coach your child's team. If there is another parent you need to coach with due to scheduling please indicate that as well (children must be in the same age group). You will receive a letter in late May notifying you how to claim the equipment.

advance to

the Sectional competition in each age group are: All-Around Champion, Hitting Champion, Pitching Champion, and Running Champion.

Sa, 10 a.m., 4/30

Sharp Park

Aquatics

Delta/Waverly Aquatics

Waverly Piranhas Swim Club

Organized to provide experience in competitive swimming for boys and girls. This is a great next step for Learn to Swim participants completing the 5/6 level. It's also an opportunity for participants already familiar with competitive swimming to learn and improve on their strokes, endurance, and other techniques used for competition. There is a place in our club for everyone interested. Please contact Kirt or Deb at *kirt-deb@cablespeed.com* or 321-2782 for more information.

Registration for spring term will be **April 11**, **12**, or **13** at the Waverly High School Pool from **6-7 p.m.**

Family Swim

Hey, everybody! Come get wet! Grab a towel and bring a friend for open swim. **Tu/Th**, **6:30-8 p.m**.

\$20 for 10 visits with punch card \$3 per person, per visit drop-in fee

Adult Water Exercise

The exercise classes below are each 45 minutes long. You do not need to be a swimmer to participate! All Arthritis Foundation classes are taught by Arthritis Foundation Certified Instructors. The following classes are ongoing and can be joined at any time. Please note the schedule for daytime classes may change occasionally. Please check the Web site or call the office for possible time changes. This punch card works for all of our adult water exercise classes.

Office and Pool Location

The Delta/Waverly Activities Office and pool are located on the east side of Waverly East Intermediate School. The locker rooms are through the double doors on the left. See back cover for address, phone, and hours.

Registration Information

You may register for swim classes at the Delta/Waverly Activities Office beginning **Tuesday**, **March 22** during the regular office hours listed. You may also register by phone with a credit card (Visa, Master Card, or Discover Card). Payment must be received at the time of registration. The minimum number of students required to run a class is one half of the listed class limit. Punch cards for water aerobics and lap or family swim can be purchased during office hours, or at class when paying by check only.

An adult, age 18 or over, must remain in attendance during swim lessons and open swims with no more than five youth swimmers under their supervision.

Make-ups for missed swim lessons will only be given due to Waverly pool closings. Severe weather or school closings may temporarily close the pool. Please call the cancellation number at 484-9322 or listen to local TV and radio broadcasts about possible closings. In the event that the Waverly School District is closed, all Delta/Waverly swim activities will be cancelled.

All patrons must observe the NO SHOES rule in the shower rooms and on the pool deck. Please shower before pool use to remove dirt, lotions, perfumes, hair products, etc. Infants must wear a swim diaper and rubber pants (not a regular diaper) in the pool. No opposite sex children older than five years may be in the locker rooms.

Youth Swim Lessons

All lesson skills are taught in a number of age-appropriate ways which include drills, games, songs, and other activities. Please communicate with your child's instructor about any special goals or concerns you have, but please respect pool regulations. Please call for more information regarding the appropriate swim lesson level for your child.

Parent/Child

A great opportunity to work on water adjustment, safe pool entry, breath control, submerging face, motor skills, songs and activities, safety information, and safe exiting of the pool. Limit 10.

50+ Programs

Delta/Waverly 39ers Senior Citizen Program

Delta/Waverly 39ers

The Delta/Waverly 39ers Program is an energetic and vibrant program that serves people ages 50 and over from Delta Township, Waverly School District, and surrounding areas. There is no fee to become a member, just come join us! The 39ers program is located within the Waverly Community Room, located in the southeast section of Waverly East Intermediate School, 3131 West Michigan Avenue.

Office hours are 10 a.m. to 3 p.m.

Monday through Friday.

Tai Chi for Health and Relaxation

Tai Chi is remarkably effective for relaxation, health, and fitness. It improves balance and posture, strengthens muscles, and builds up your immune system. Learn a new set of Tai Chi steps and relaxation exercises until we have learned the entire 31 steps of the Tai Chi for Arthritis form. Time permitting, we'll also learn some Qi Gong exercises. Please wear comfortable clothes and flat shoes and bring a bottle of water. Limit 12.

Class details to be announced, call 484-5600 for updates Cathy Stewart, Certified Instructor

Yoga

Have you always wondered about the practice of yoga? Yoga can help increase flexibility, lower stress, and increase strength. Join us for guided practice sessions **every Thursday** in our weekly practice of yoga. This is a great class for beginners. Bring a mat or use our chairs if you are not able to get on the floor.

Th, 11 a.m.-12 p.m.
Ongoing class, start any time
\$1 drop-in fee per session
Sidney Oakley

Luncheons

Luncheons are held on **Mondays**, **Wednesdays**, and **Fridays**.

Included with the luncheons are programs that include bingo parties, quizzes, cards, and games, plus occasional speakers or musical entertainment and theme parties. Lunch is served at **12 p.m.** This program is offered to area seniors in cooperation with the Tri-County Office on Aging. Seniors ages 60 and over are asked for a \$2 donation. Those under 60 are charged \$4. In addition, a small activity fee is charged for bingo or other special programs that may take place after the luncheon. Reservations are required and must be called in by noon the day before you wish to attend. To make a reservation or request a menu, call the office at 484-5600. Menus are also available on our Web site at www.deltami.gov/parks/seniors.htm.

held at the Delta/Waverly
Community Room unless
otherwise indicated. Don't miss
out on the variety of activities
offered by the Delta/Waverly 39ers.
We have new and exciting
things happening every

month.

Tuesday and Thursday mornings at Ledge Meadows Golf Course. Come to an organizational meeting at the Waverly Community Room on Tuesday, April 5 at 10 a.m. for league details.

SPECIAL EVENTS

Fun, Family Events for the Spring

Mother/Son Dance

Join us at the Sheraton Lansing Hotel for a night of fun! Dance to your favorite tunes, enjoy refreshments, and leave at the end of the evening with a photo memento and a special surprise. The dance is open to all young men ages two and over and the adult female escort of their choice. A special menu has been prepared by the chefs at Christie's Bistro to start your evening off right. The dinner is separate and optional and you can make reservations by calling 323-4190. Space is limited! We will have a list of registered participants at the door.

M, 7-9 p.m., 3/21 \$15 per couple/\$8 each additional son **Sheraton Lansing Hotel**

I want to be a "Friend of the Festival"!

Please enclose a check or money order payable to Delta Music & Entertainment, Inc. for \$25 along with this form.

Easter Fun Carnival

Join us for our 6th Annual Easter Fun

Carnival! The suggested age group is 2-10. Come on out for fun, food, and games and of course a visit from our special guest. Don't forget your cameras! Please select which session you will attend when you register. You will receive five game tickets with your registration. Additional game tickets will be available to purchase at the event at the cost of five for \$1. Pre-registration is strongly recommended although limited registrations will be available at the door. After payment has been received, you will receive tickets which you must bring with you to be admitted. Any registrations made the week of March 7-11 must be done in person at the Parks and Recreation office. There will be no refunds issued after March 4. Call now to register for some Easter fun! F, 5-6:30 p.m. or 7-8:30 p.m., 3/11 \$2 per person (including adults) or \$3 per person at the door

Walk Michigan!

Participants are encouraged to walk at their own pace for a distance that is comfortable. It is not a race or a competition in any way. Each time you register and participate in a walk, you will be entered into a drawing to win a trip to Mackinaw Island to participate in the 2005 Labor Day Bridge Walk. The trip for two includes three nights at Mission Point Resort, round trip boat ride, two breakfasts, one dinner, Sunday brunch at the Grand Hotel, and much more. This trip is also available for purchase. Please call 323-8555 and we will give you the contact information to inquire about purchasing this trip. Registration begins 15 minutes before each scheduled walk. No phone-in registration is required. All walks will start promptly at the scheduled time. Join us for fun, exercise, and prize drawings.

Th, 5:45 p.m., 5/5 Sa, 9 a.m., 5/21 Tu, 5:45 p.m., 5/24

All walks will be held at **Hunter's Orchard Park**

Race for the Cure

The third annual Komen Greater Lansing Race for the Cure will be held **Sunday**, **April 24** at **1 p.m**. For more information and to register please visit www.komengreaterlansing.org.

Photo Policy

On occasion our staff may photograph or videotape participants in Township programs or facilities. These are for Township use only and may be used in various Township publications and promotional materials.

How to Register

Community Center

Call 323-8555 to register for the dance or carnival. Payment must be received within three days of registration to hold your spot. For the carnival you will receive tickets which you must bring with you to the event.

Delta Rocks! Family Festival

Mark your calendar for **June 25**, the date of the 7th Annual Delta Rocks! Family Festival. Plan to bring the entire family and spend the day at Sharp Park. Some of the fun activities planned will include music provided by a live DJ, roaming entertainers, live animals (including a petting zoo, pony rides, and alpacas), clowns, a variety of entertainers at the amphitheater, inflatable attractions (including a Dragon Hide n' Slide, Purple People Eater Obstacle Course, Rocket Turbo Slide, and Jacob's Ladder), Bonzi Bikes, Super Sling Shot, children's make-it-take-it craft booths, Turtle Racers, Field of Fish community art project, chalk art, concessions, and lots more! Most activities are free with only a few that have a minimal charge. The day's activities will start at **12 p.m.** and last until **6 p.m.** so plan on spending the day with us! For questions or more information please contact the Parks and Recreation office at 323-8555 or visit www.deltami.gov/parks/events/dr.

Friend of the Festival

Back for a second year the Delta Rocks! Family Festival committee has a special sponsorship program to allow individuals to show their support of the festival. The goal of the committee is to keep the family-oriented festival affordable for all. If you have enjoyed the festival in the past, please help us grow bigger and better while still providing high quality, affordable entertainment for the entire family. To show your continued support of the Delta Rocks! Family Festival, you have the unique opportunity to become a Friend of the Festival for a \$25 donation. Along with the satisfaction of helping to sustain the festival, you will receive your name in the festival program. Please use the form on the

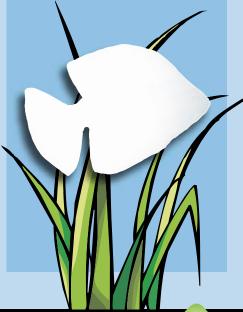

facing page or on our Web site. If you have questions about the *Friend of the Festival* program or other sponsorship opportunities that are available to you, please contact the Parks and Recreation office at 323-8555.

Volunteers Needed

Volunteers are always needed the day of the Delta Rocks! Family Festival. If you or someone you know may be interested in volunteering at the festival, please contact Barbara Kellogg or Kathy Sobczyk at 323-8555. Examples of activities we need help with would be working a children's craft area, helping children with the super sling shot, or working a community art project. Volunteers will receive a t-shirt and instructions prior to the festival.

Field of Fish Community Art Project

Kids ages 6-15, do you want to show off your artistic ability? The Delta Rocks! Family Festival has the perfect opportunity for you. All you need to do is come to the Parks and Recreation Department and pick up a special wooden fish to paint or decorate any way you wish. One of the shapes is shown below. Hurry as there are only a limited number of fish available and they will be given out on a first-comefirst-serve basis. Once your creation is complete you must return the fish no later than **Monday**, **June 20** in order for the fish to be displayed at the Delta Rocks! Family Festival on Saturday, June 25. All fish will be uniquely displayed on our Field of Fish for the enjoyment of all festival attendees. Fun awards will be given out based on voting the day of the festival. Those who would like to keep their fish must pick it up at the Parks and Recreation Department between the hours of 8 a.m. and 5 p.m. the week after the festival; all fish left after that will be discarded. If you have questions about the Field of Fish please contact the Parks and Recreation office at 323-8555.
